

SCOPING COMMENT FORM

Please use this form to record your comments regarding the proposed temporary concession contracts for airboat tours in Everglades National Park. Your comments will be considered in developing alternative management options and preparing the Environmental Assessment for this project. **Please return this form by November 10, 2005.** Additional sheets may be attached if needed. Fold the form so the NPS address is showing, add postage and tape the edges together to mail it.

General Comments: Please list any issues, concerns or environmental impacts you wish to see addressed or information about the project you would like to provide:

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Alternatives: Internal NPS scoping resulted in the development of preliminary alternatives that are described in the attached brochure. Do you have any comments on these alternatives? Are there other alternatives or strategies that should be considered?
